

What began as a simple effort to create a safe space for young people turned into a beautiful evening of faith, fellowship, and community. Around 50 participants joined us for a spirit-filled program of praise and worship, powerful testimonies, fun activities, and the celebration of the Holy Mass. The overwhelming response and encouraging feedback remind us that our youth are longing for authentic community and a deeper encounter with Christ. We thank God for making this evening a tremendous success and are grateful to everyone who made it possible.
